## What is DTTA?

This is a cutting edge, up to date teaching qualification, that uses realistic, none traditional assessment methods ensuring it equips you with all the skills you need to effectively write plan and deliver lessons to adult learners. This is above and beyond a level 3 qualification, but does not involve the usual written assignment on each module, including the perfect balance of practice and theoretical.

## How can I study this course?

Booking on one of our courses is so simple..

Most of our scheduled courses are listed on EventBrite (subject to booking fees)

OR

You can contact us directly by filling out our online booking form.
